

The Queen Mary Staterooms

*Whether it's the authentic polished wood panelling, the original 1930's artwork, the Art Deco style or the operable porthole(s), there's no question that the Queen Mary Hotel is unlike any other Southern California hotel. Each stateroom is unique with its own personality and offers a real glimpse into what transatlantic travel was like during the 30's, 40's and 50's. With an impressive history and tradition of excellence, the Queen Mary Hotel is more than a place to rest one's head - **its an entire experience.***

Family Staterooms Rate \$ 169 + Tax

Making the long journey from Southampton, England to New York City families often opted for larger accommodations, making the Family Stateroom an ideal choice. Today, just because you won't be spending a week at sea doesn't mean you shouldn't have a little extra space. Some feature two bedroom areas and authentic built-in storage, these rooms provide ample space for the entire family without losing any of the cozy charm of the other staterooms.
